Aureus Finance – providing optimal solutions for your business.

Aureus Finance is part of the Aureus Group, which has been operating on the Polish financial market since 2007.

Taking care of the tax security of our clients, we not only provide comprehensive accounting services, but also legal and tax consultancy as well as HR and payroll services.

Our team has gained experience working for international corporations, which is why we are able to act in a comprehensive manner, while ensuring an individual approach to each customer.
